RE: Annual Transportation Plan

Dear Mr. Chairman,

Pursuant to the Act 2019-02 Rebuild Alabama, I am recommending that the Calhoun County Commission approve the resurfacing of Mudd Street from the Cane Creek Bridge northward approximately 2 miles to the intersection with State Route 77. Our department estimates this project to cost approximately \$700,000 of the estimated \$940,000 we will receive in CRAF (County Rebuild Alabama Funds) for FY 20.

If I may be of further assistance, please advise.

Sincerely,

Brian W. Rosenbalm  
Calhoun County Engineer
